

Albarelo

Date

Mid to late 18th century

Medium

Earthenware with tin glaze and cobalt in-glaze

Description

Lip encircled with dark blue band, foliated band around top and bottom. Main body of vessel decorated on one side with bird and the other with hare and bird. Exceptionally fine freehand painting of traditional Spanish elements, hares, birds and foliage but composition reflects Chinese influence. Rich blue coloring and excellent white glazed ground.

Dimensions

Height: 10 1/16 in. (25.5 cm)
