## Santa Barbara

### Date

No date

### Primary Maker

Artist not recorded

### Medium

Wood, paint

### Description

Style of Calligraphic painter. Light background incised indigo border, tiled floor. Figure wears scalloped tunic over her skirt, yellow cloak, white ruffle at neck, open

crown but no plume. She holds the monstrance and palm. The tower is a tall, cross-hatched skyscraper form with dome and cross at top. A bolt of black lightning meanders from top over tower and ends near its base with an arrow. The drawing is free and composition pleasing.

### Dimensions

25.5 x 15.5 to 17 cm.
