

Basic Detail Report

Candle holder

Date

c. 1970

Primary Maker

Artist not recorded

Medium

Tin, solder

Description

Large tin candle holder with three levels of cylindrical holders, three holders at top and bottom and seven on the middle level. Tin birds and flowers are attached just below

the top two levels. Twisted scroll-like decorations are attached to the ends of each level, and candle-like designs cover the pole, with scrolling elements to each side along the central pole, and from the top of the pole behind the top central candle holder.

Dimensions

44 1/2 × 33 1/16 × 3 15/16 in. (113 × 84 × 10 cm)
