Description

Dance tassel of braided cord in natural dyes of white and red with loop at end. At the red pompom, black threads are added to make a thicker braid that divides into three

sections whose threads are wrapped, first joined together and then separated. On these are red, white and black pompoms. The thick braid reforms and at red tassel, thin red and black braids form as do thicker white and black braids. At the end are red and black pompoms. Tan is added to the last pompom.
