

Child's Bonnet

Date

c. 1800

Primary Maker

Artist not recorded

Medium

Silk brocade, gold bobbin lace

Description

Golden bonnet with highly intricate designs and details.

The late 18th / early 19th century child's bonnet is in excellent condition. The silk brocade ground is extensively

covered in gold torchon fan lace and trimmed in linen lace. We have a couple of similar examples from Europe, but none as finely rendered nor as well maintained.

Dimensions

4 3/4 × 4 3/4 × 3 15/16 in. (12 × 12 × 10 cm)
