

Hoop rim spindle spinning wheel

Date

1850s - 1910s

Primary Maker

Family of Sabinita Martinez

Medium

Wood, stain-brown, metal, cotton, wool

Description

Handmade spinning wheel with many practical repairs, hand-carved driving wheel, hand crank, whorl, and upright supports in typical zig-zag "New Mexico Empire" style,

thread and spool attached, spool is a different color from thread. Per M. Manier: This hand-cranked spinning wheel with spindle sits on Z feet; A heavyweight, but thin cotton cord passes around the wheel and upright whorl; A similar cord wraps around the wheel in 1"-3" intervals; A ball of spun, brown yarn sits on the spindle, 2/27/2018.

Dimensions

18 1/8 × 31 1/2 × 13 3/8 in. (46 × 80 × 34 cm) Per M. Manier, 2/27/2018: 17 1/8 × 29 1/2 × 13 3/4 in. (43.5 × 75 × 35 cm) Width: eyeballed to wheel edge; Depth: includes spindle rod
