Basic Detail Report

Feria de Abril horse and carriage set

Date

c. 2013

Medium

Leather, brass, rope

Description

Two identical leather pieces for the belly of the horse; At one end of each item is a length of rope with a loop of leather covering the rope; At the other end, there are two belt buckles in brass-one smaller than the other; The rope runs through the leather piece and does not show at the buckle end; A stylized butterfly design is stitched into each end of the leather piece.

Dimensions

85 1/16 × 2 3/4 × 1 15/16 in. (216 × 7 × 5 cm)
