Basic Detail Report

Lwa and Ceremony-Steel Drum Sculpture

Date

1990s

Primary Maker

Bernard Louis

Medium

Metal, lacquer

Description

This sculpture is comprised of metal and is coated both front and back with a clear lacquer. The main shape is a head, with holes for the eyes and mouth. Below the head there are two drum shapes to the left and to the right. Above the head, there is a figure with star patterned shorts, holding two objects in its right and left hands. The sculpture is signed at the proper left bottom of the chin " BERNARD LOUIS".

Dimensions
