Description

These bib overalls are made of black, white, and green wool, black leather, embroidery, and have silver buttons. The embroidered green sections are backed in white wool.

The center front and centerfront legs have green narrow insets. There is a front strip of black leather that continues down the center front, through the crotch and ends in a wide leather seat on the back. It is stitched in red. The legs end in wide green embroidered panels with some leather piping. There are 4 silver buttons on either side of the green embroidered bib panel and 4 silver buttons on each leg panel. The embroidery is in red, yellow, blue, black, and white.
