

Basic Detail Report

Retablo, the Condor and the Fox

Date

1988

Primary Maker

Florentino Jiménez Toma

Medium

Wood, paint, plaster, potato paste, leather

Description

This retablo consists of a large box frame with two doors that are connected by hinges of leather. The exterior of the case is heavily painted with pink, red, yellow and

purple floral details on a white ground, with edges in red. The interior of the retablo consists of four scenes; two in the central part of the retablo one on top or the other divided by a red shelf, and one scene inside each of the doors.

Dimensions

Retablo closed: 19 11/16 × 12 3/16 × 7 3/8 in. (50 × 31 × 18.8 cm)
