

Kullawada Festival hat

Date

ca. early 1990s

Primary Maker

Artist Not Recorded

Medium

Felt, plastic, silver braid

Description

This hat is composed of a (hat material?) with heavy embroidery and beading throughout. The crown of the hat has beaded hearts around the circumference as well as at the crest in several colors. There is heavy silver cord embroidery between each of the hearts. The brim of the hat has more beading with a white and blue bead pattern. The edge of the brim is white with long threads of clear glass beads that create an encompassing fringe.

Dimensions

15 3/16 × 12 5/8 × 12 5/8 in. (38.5 × 32 × 32 cm)
