

Basic Detail Report

Copper wire basket

Date

Unrecorded

Primary Maker

Artist not recorded

Medium

copper wire, beads

Description

A Zulu copper wire basket with unusual asymmetrical design using metal beads. Open copper wire is not a popular style to work in, which adds to the basket's

uniqueness. Most pure copper baskets tend to be small in scale and this one is a good example of a medium sized basket. The basket is 6 ½" tall with the widest circumference measuring 8".

Dimensions

6 1/4 × 7 × 7 in. (15.875 × 17.78 × 17.78 cm)
