Description

Menacing seated cat figure displaying many white teeth and a red tongue in a wide open mouth. The gold fur is covered with black polka dots. The conical ears have

black tips with natural fibers sticking out. Several black whiskers stick out on each side of nose. Multiple strand of black and white natural fibers hang vertically on each side of its head. On its chest is a horizontal band of natural fiber hair. The belly is yellow, curved claws are in each foot, and a short upturned tail has a round black end.
