Basic Detail Report

Picture frame

Date

20th century

Medium

Pine cone scales, cardboard, wood, string, foam core, nails

Description

Almost square picture frame with oval opening made of pine cone scales sewn to a thin wood backing and further backed by a piece of cardboard from a "Crystal White" soap box stamped with "Truchas". Irregular wood slats that are nailed to the thin wood backing run around the edges for support.

Dimensions

18 15/16 × 17 1/8 × 13/16 in. (48.1 × 43.5 × 2 cm)
