

santero or subject.

Dimensions

21 to 22 cm x 15.3 cm, 1.5 cm thick

Unidentified Saint, possibly El Santo Nino de Praga

Medium

Tempera over yeso ground on pine scrap.

Description

Coarsely brushed figure with folded hands, long bright red dress, stands on half orb. Head has indications of long black hair, marked with red dots (blood?) inside hair line. Halo outlined by loosely drawn red and yellow forms. Red border, heavy black inner border of scallops, pale indigo wash over yeso background. Panel has great brightness and freedom, is naive and not definitely identifiable as to
