

Advocation of Our Lady

Medium

Wood, paint, hollow frame (cloth)

Description

Three rosette shaped bosses across front of robes in gesso relief echo the fondness of our local santeros for symbols of the trinity. Cloth dipped in gesso clothing, still as tight as a drum over frame—was probably patched before present overpainting of red, yellow, and polka dot oil paint was added.

Dimensions

Overall: 33 7/8 in. (86 cm)
