

## Ceremonial Skirt Panel

### Date

Mid-20th century

### Medium

Raffia palm fiber

### Description

A long rectangle with radius corners at one end has an intricate linear design dominated by two rows of large "X" shapes. The "X's" are made up of dark and light squares with dark or light centers creating an overall pattern of many square dots. Running the length of one long edge is a 3" band of similarly "dotted" diamond border.

Alternating dark and light pinstripes of linear embroidery reinforce the cut pile designs; colors are browns and tan.

### Dimensions
