

Boots

Date

1968

Medium

Reindeer skin, leather, wool

Description

These boots are made of the fur side of reindeer skin on topside and soles of boots; smooth inside. There is a tube

of smooth leather at ankles through which leather thong goes, tying in front. A band of decorative red wool fabric separates the sealskin and leather tube.

Dimensions

7 1/2 × 3 15/16 × 11 in. (19 × 10 × 28 cm)
