

Whistle in the shape of an insect

Date

1980s - 1990s

Primary Maker

José Celestino da Silva

Medium

Wood, foam

Description

Hand-carved wooden grasshopper-like insect with three legs on each side and small holes on each side and on bottom so object can serve as a whistle. White foam

cylindrical piece inside provides trilling sound. Signed ZE CELESTINO on bottom.

Dimensions

1 11/16 × 3 3/8 × 2 5/16 in. (4.3 × 8.5 × 5.8 cm)
