Description

Dress coat made of a black and green geometric weave (twill). It fastens with three metal hooks and eyes. A pocket that is outlined in couched red braid is located on

the PR seam. A couched purple braid traces the hem and side vents. A 4.7cm orange cotton tape follows the skirt opening and hem. Couched braids in yellow, blue, orange, silver, white, red-green, black-orange, and silver metallic outline bodice and neck area as well as the cuffs that end at the elbow. There is a commercial tan and yellow tape on the sleeves that joins a brown and yellow on bodice. Gray cotton lines the bodice. The dark green color indicates that this is a winter dress coat.
