

# Basic Detail Report

---

## Beaver

Date

2015

Primary Maker

Gary Chudzinski

Medium

Shelf fungus

Description

Image of two beavers etched onto a shelf fungus. Top surface is white and underneath is brown in color. The fur of the beaver is carved out to reveal the brown and there

are lines moving around it that represent water.

Dimensions

6 5/16 × 7 1/2 × 2 15/16 in. (16 × 19 × 7.5 cm)
