

Basic Detail Report

Tzintzun (Hummingbird) earrings

Date

2018

Primary Maker

Cesar Montes Rosales

Medium

Silver, simulated coral

Description

This pair of earrings is comprised of two silver flowers that are connected with a small length of chain, with coral inlaid at the center of each flower. On the proper right

and left of the lower flower there are two silhouettes of hummingbirds in silver. Below this there is a tear drop bud shape that ends in a small rounded point. The studs of the earrings are straight and have their respective backings.

Dimensions

2 1/2 × 1 3/16 × 9/16 in. (6.3 × 3 × 1.5 cm)
