

Basic Detail Report

Stakkepar

Date

ca. 2018

Primary Maker

Setesdal Husflid

Medium

wool, cotton, metal, plastic buttons

Description

This cartridge-pleated black wool 'braced' dress has a stiffened hem covered in red and green wool. The back of the dress is made of black twill-woven pleated wool. The

hem has one center-front pleat and 3 back inverted/sewn pleats. The bodice is embroidered in wool and cotton and has commercial silver braid. The front of bodice is edged in red wool. Straps/braces come from the back and button at front armhole edge. There is a round front clasp of silver filigree with 'gold' round dangles

Dimensions
