

Male traditional dress doll

Date

1920-1972

Medium

Buckskin, paint, cotton string, glass seed beads

Description

Fabric face with painted red mouth, and black eyes and eyebrows. Black hair in two braids with orange ribbons on the ends. Around the neck is a white beaded necklace. The buckskin shirt and pants have fringes on the edges of the arms, legs, back, and off of the red, orange, and green beading on the chest. There is light blue, blue, and orange

beading where the fringe begins on the chest. Near the fringe on the back, there is black, blue, red, and orange beading. The belt is multicolored beads, with a beaded loin cloth hanging from the waist. The moccasins have white, light blue, orange, and black beading.
