

Basic Detail Report

Rice seedling basket

Medium

Rattan, bamboo, metal, wax, resin

Description

Tall, slender, lidded basket (a) with round opening and round top half. At just above mid point are four metal loops woven into the basket and a widening in the weaving pattern. Below this point the basket narrows to a rectangular bottom, with bamboo crossing across bottom, bent at corners and running up sides to just below the loops. The lid (b) has a slightly convex top and straight sides. The basket top and bottom are sealed with wax and

resin and are woven with thin horizontal weavers over 1/4" wide splints.
