

Basic Detail Report

Anklet, ankle bracelet

Medium

Silver

Description

Silver ankle bracelet formed of a hollow, generally triangular tube is ornamented with stamped and embossed diamonds, alternating with flowers between lines of dots and fine twisted wire. The inside is plain, and the ends of the tube are capped and soldered together, with a flat diamond shaped piece stamped with crescents covering the joint. The inside is undecorated.

Dimensions

$7/8 \times 4 \frac{3}{16} \times 4 \frac{1}{8}$ in. ($2.2 \times 10.7 \times 10.4$ cm)
