

Basic Detail Report

Sword and scabbard

Date

Early 20th century

Medium

Wood, metal, rattan, boars' teeth, glass beads, cloth

Description

The handle of the sword has a carved human head with wide open mouth. The scabbard, made of bamboo and wood, is wrapped with rattan. On the side is a ball of boar's teeth wrapped around rattan strips covered by cloth and two beads where they are attached to the scabbard. All colors are brown except for white on row of

teeth and blue brads.

Dimensions

28 × 9 × 6 1/2 in. (71.12 × 22.86 × 16.51 cm)
